

Protect Your Medical Data

NavProtect fights back against medical fraud, organizes and audits your bills—and gets your money back.

29 million healthcare records were breached last year.

The worst part? Most people were unaware that their private information had fallen into the wrong hands.

NavProtect fights back against medical fraud, over-billing, and guards against privacy intrusions.

NavProtect has audited **\$500 million** in medical bills and returned over **\$15 million** to employers and **\$130 million** to members.

\$325 Billion

Over 325 billion dollars are lost to medical overbilling and fraud each year.

40x More Valuable

Your medical data is 40 times more valuable than your credit card on the black market.

66%

66% of personal bankruptcies are due to medical billing issues.
